

# Dzhelilov Osman

Last name, First name

Bruff, Co. Limerick

- Personal info:** Citizen of Ukraine  
English level B1 grad C (CEFR)  
Ukrainian-native, Russian-native
- Contacts:** Phone: +353(89) 467 5880  
E-Mail: dna@crimea.ie
- Target:** I look a job for up my English skills, money earning and first of all is getting experience.
- Education:** 2024 – ongoing – *1<sup>st</sup> year student of the Technological University of the Shannon, Limerick Midwest Campus on a Computer Networks & Cybersecurity, Faculty of Applied Sciences and Technology.*  
2023 – 2024 – *former student of the College of FET, Kilmallock Road Campus on a QQI4 Major Award course Business Studies with Intensive English Language Support*  
2018 – 2019 – *student of the Ukrainian Academy of Leadership in Kharkiv. Comparable to Transition Year in Ireland. This way the students keep tracking the changes that happen to them. Someone set up his or her first project or ran a half-marathon. Someone finally read the books they were going to read for a long time before, as well as survived the first backpack trip. Often at the end of the year students achieved the results they never even expected before.*  
2006 – 2016 – student of school-gymnasium (11 grade finished)
- Personal qualitatives:** Positive: Decency. I always help if I could be helpful in a situation.
- Software skills:** Have a strong lead in ICT, specific software: WWW, Windows OS & file system interface operating, Microsoft Office products, Adobe. ABBYY Fine Reader&Lingvo. Print drivers for Canon, Epson, Brother. WordPress CMS. Short-standing experience in front-end and website developing.
- Hobbys and me:** Internet surfing. I study Intermediate English. Also studying a basis of TCP/IP and the OSI model. When I have a time I make video, create advertising layouts and photo editing or watching comedy on English language. I like to volunteering, taking a part in useful events and help local ukrainians to translate their Curriculum Vitae.  
I do not drink alcohol or smoke at all.
